

Mount Brydges City-Wide Planned Outage Scheduled for Sunday, November 6th, 2022

Entegrus has been notified by Hydro One of a 4-hour town-wide planned power outage that will affect the City of Mount Brydges on Sunday, November 6th from 5:00am-9:00am.

“Entegrus has contacted customers that will be impacted by the town-wide planned outage via interactive voice calls. We have directly contacted large customers and those who may require additional planning for an extended outage,” stated Jim Hogan, President, and CEO of Entegrus. “We are working closely with Hydro One and city officials to ensure the proper procedures are in place for our customers.”

“We understand the inconvenience of interrupting our customers’ service however, these necessary repairs help avoid unplanned outages in the future,” stated Hogan. “We appreciate everyone’s patience during this time.”

Entegrus encourages customers to be prepared in the event of any planned or unplanned outages. Visit <https://www.entegrus.com/extendedoutage> for more information on preparing for extended outages and emergencies.
